THE SENATE OF TEXAS

LOIS W. KOLKHORST

STATE SENATOR
DISTRICT 18

April 24, 2021

Congressman Michael McCaul
2440 Rayburn House Office Building
Washington, DC 20515

Dear Congressman McCaul,

I have followed and strongly supported Flatonia's Amtrak teams work to secure a station stop for over a decade now. I immediately recognized the economic impact an Amtrak and a CART's station would have on the entire region. Adding a stop in Flatonia would not only give greater transportation access to the rural areas of Texas, but would assist in economic growth. The benefits of adding an Amtrak and a CART's station are endless, and the addition would have nothing but a positive effect on this area and on our state.

Please give all time and consideration necessary to ensure Flatonia's Intermodal Station is fully funded in the upcoming Transportation Bill. I thank you in advance for your support of the rural areas of Texas.

Rural Texans need transportation options!

Sincerely,
